ABSTRACT SERVICE is a monthly publication of the Institute on the Church in Urban-Industrial Society and is offered in cooperation with the Advisory Group on Urban-Industrial Mission of the Commission on World Mission and Evangelism, World Council of Churches. The **ICUIS** was established in 1967; **ABSTRACT SERVICE** has been published since August 1970. **QUARTERLY INDEX CUMULATION** is published four times a year and contains author, title, and subject indexes to the documents contained in three issues of **ABSTRACT SERVICE**. It has been published since August 1971.

Materials offered in **ABSTRACT SERVICE** are assigned an identification number. Abstracts are arranged according to their identification numbers in two ways: (1) alphabetical order according to the acronym of the group contributing the material to the Service (**CIC, ICUIS,** etc); and (2) in numerical order. As often as possible, bibliographical information contains full imprint (source) information. If the document is readily available, an address is indicated where copies may be obtained. If no source is indicated, xerox copies are available from **ICUIS** at 10¢ a page. When writing to **ICUIS** for copies of documents, please indicate the identification number of the documents.

Documents summarized in **ABSTRACT SERVICE** are cross-referenced according to title, author, and subject matter in indexes at the end of the publication. The Table of Contents above gives a very general introduction to the major areas of information contained in this issue.
